**Subject: Letter of appreciation for your presence at 2018 ATOMEX in Moscow**

*Dear Ms. Ekaterina Aleksandrova,*

I would like to thank you for taking your precious time to work with us from December 3, 2018 to December 5, 2018 in Russia. I sincerely appreciate your support in organizing B2B Meeting and seminars for Korean participants. Your cooperation greatly helped them to understand Russia and its markets.

I do also appreciate your arrangement for visiting Leningrad NPP site in Saint Petersburg as well. It was good chance to experience VVER-1200 technology.

Through this event, I hopes our partnership will be strengthened even more than before, resulting in growth of both Rosatom and KNP. Please give me your personal feedback regarding the event, if you have any.

Once again, thank you so much for your heartfelt cooperation. I look forward to working in close cooperation with you and seeing you again.

*Your Faithfully,*
